DETAILED ACTION

Notice to Applicant

1. Applicants' Amendments and Response to the Office Action mailed on March 23, 2006 have been entered and made of record.

Response to Arguments

2. In view of applicants' after final arguments filed on May 9, 2006, the rejections of claims 1-20 under 35 U.S.C. 103(a) have been withdrawn.

Reason for Allowance

3. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: claims 1, 5 and 9 specify that in an initial number of the steps of purging the oxidants, longer purging times are used than in the purging steps of later cycles; and the film-forming materials purging time in the initial number of cycles is longer than that of the cycles after the initial number of cycles. These features in combination with the other elements of the claims are neither disclosed nor suggested by the prior art of record.

Claims 2-4, 6-8, 10-12 and 13-20 variously depend from claim 1, 5 or 9, so they are allowed for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
